

SUPPORTIVE CARE

C-Kam 250 Powder

Water Soluble Powder

For veterinary use only

GENERAL INFORMATION

Product name	C-Kam 250 Powder
Dosage form	Water Soluble Powder
Target species	Poultry
Route	Oral, via drinking water / feed where stated

COMPOSITION

Each gram Contains
Ascorbic Acid 250 mg
(BP Specifications)

PRODUCT DESCRIPTION

Ascorbic acid, a water-soluble vitamin, plays a crucial role in collagen synthesis, wound healing, and overall tissue repair. C-Kam Powder is particularly beneficial for animals experiencing conditions that may compromise their immune function or those in need of additional support during periods of illness or stress.

INDICATIONS

- C-KAM-250 Powder is indicated to overcome the deficiency of Vitamin C in extreme cold or hot weather conditions like heat stress, overcrowding and vaccination stress. It also strengthens the egg shells and helps improve the egg production in poultry.
- It is an antioxidant compound, which protects cells against oxidative damage and improves immune system function.
- Birds suffering from illness and injuries.

DOSAGE & ADMINISTRATION

- Poultry : 0.5 gm/ 1liter of drinking water for 5-7 days or via feed 1kg / Ton in stress conditions.
- Lambs, Kids, Calves and Foals : 1gm / Animal daily for 7-10 days.
- Sheep, Goats, Cattle and Horses: 8-12 gm / Animal daily for 7-10 days.

Prepare fresh medicated water and ensure uniform access for the flock.

PRECAUTIONS

Store in a cool and dry place below 30°C.

Protect from sunlight.

Keep out of the reach of children. Consult the veterinarian before use.

WITHDRAWAL PERIOD

Follow the approved product label and applicable regulatory requirements.

STORAGE
