|                |                                              |
|----------------|----------------------------------------------|
| Product name   | Tylokam-100 Soluble Powder                   |
| Dosage form    | Water Soluble Powder                         |
| Target species | Poultry                                      |
| Route          | Oral, via drinking water / feed where stated |

### COMPOSITION

Each gram contains

Tylosin (as tartrate) ..... 1000 mg

(As per innovator's specification).

### PRODUCT DESCRIPTION

The veterinary medicine "Tylokam-100 Soluble Powder," with each gram containing Tylosin as Tartrate at a concentration of 1000mg, is indicated for the treatment of bacterial infections in poultry.

Tylosin tartrate, a macrolide antibiotic, inhibits bacterial protein synthesis by binding to the 50S ribosomal subunit.

This interference halts peptide chain elongation, preventing bacterial growth.

### INDICATIONS

- Tylokam -100 Soluble Powder is used for prevention and treatment of infections caused by microorganisms susceptible to Tylosin, like in Mycoplasma, C.R.D, C.C.R.D, Sinusitis, Airsacculitis and Gastrointestinal infections in poultry.
- Birds suffering from Enteric Infections. Birds suffering from respiratory tract Infections
- Birds suffering from Mycoplasma Infections. Birds suffering from Chronic Respiratory
- Disease (CRD)

### DOSAGE & ADMINISTRATION

- Poultry: 1 gm per 2 liter of water for 3-5 days.
- In feed: 300-500 gm/ 1000 kg feed for 3-5 days.
- Calves: 1 gm per 40 kg body weight

Prepare fresh medicated water and ensure uniform access for the flock.

### PRECAUTIONS

Use Tylokam-100 Soluble Powder under veterinary supervision only. Do not exceed the recommended dosage. Avoid administering to birds with known hypersensitivity to tylosin or other macrolide antibiotics.

### WITHDRAWAL PERIOD

Adhere to the specified withdrawal period before consuming bird products from treated birds, as directed by regulatory authorities.

### STORAGE

Store in a cool, dry place, protected from direct sunlight and moisture. Keep out of reach of children.

### PACKAGING

Refer to the approved commercial pack label for pack size, batch details, manufacturing date and expiry date.

**IMPORTANT:** This sheet summarizes supplied product literature. Always follow the current approved pack label, veterinary direction and applicable regulatory requirements.
